Unit D, 333 J.P. Rizal St., Brgy. Tubuuan II, Silang, Cavite

PROFILE

CS graduate with 6+ years of experience in customer support, community moderation, content creation, and administrative operations. Worked with AAA game studios including 343 Industries, Amazon Games, and Scopely, progressing from frontline support to managing multiple teams above team lead level. Reliable, self-directed, and available full-time for remote work.

EXPERIENCE

Project Manager / VA — TheriaGames

Oct 2024 – Jun 2026

Remote | Oct 2024 – Jun 2026

- Managed multiple teams simultaneously above team lead level; coordinated schedules, workflows, and deliverables
- Built an in-house clock-in and attendance tracker to replace manual logging
- Maintained Google Sheets data systems and generated reports for team performance tracking
- Created guides and video content for YouTube and TikTok with AI-assisted editing
- Managed Discord communities, WordPress site, and SEO research via Google Trends
- Utilized Claude, ChatGPT, and NotebookLM daily to streamline operations and content production

Moderator — Monopoly Go! (Scopely)

Dec 2023 – Jul 2025

Keywords Studios Manila | Dec 2023 – Jul 2025

- Moderated one of the most downloaded mobile titles globally
- Maintained community health, enforced guidelines, and handled player escalations

T3 Player Engagement — New World / Lost Ark

Jan 2022 – Dec 2024

Keywords Studios Manila (Amazon Games) | Jan 2022 – Dec 2024

- Handled Tier 3 player support — the most complex escalations across two major live-service titles
- Maintained documentation, processed tickets, and coordinated with internal teams

Player Engagement — Halo (343 Industries)

May 2021 – Jan 2022

Keywords Studios Manila | May 2021 – Jan 2022

- Provided player support during the Halo Infinite launch window
- Maintained brand voice and high player satisfaction under high-volume conditions

Player Engagement — Playdemic

Jan 2020 – May 2021

Keywords Studios Manila | Jan 2020 – May 2021

- Built foundational skills in ticketing, escalation handling, and player communication
